I wrote the Chaplain ~ Samuel Arciprest for the following: Pagan Resources, special Religious diet of no beef & no pork, my right to create & possess a Talisman/Amulet without it being stolen by prison staff, Observance of my 8 major Holy Sabbats every year, Religious Items to be able to be sent to me by a Priest or Priestess or someone else of my Religious Path for purity purposes & Religious needs, to be able to have a Goatee or Beard of my choice according to my Religion without interference, and contact with Pagan Groups or Networks, etc. AUG 10 2018

I stated that I need to be able to practice my Religion without interference basically as long as it does not directly interfere with serious security concerns and I stated that I needed to speak with this Chaplain -- days later I get my I-60 back at mail call with no response at all and I waited hoping he would come talk to me but he never did. AUG 10 2018

This is very obvious Religious Discrimination and is very disrespectful to me and it is a major problem I have had in T.D.C.J. that pushed me into having mental illness along with other major abuses & violations of my Human & Civil Rights! I'm sick & tired of people in a position of authority over Religious needs being very disrespectful to me about my Religion and I intend to get my Religious needs satisfied/fulfilled or I will include this issue in my litigation of totality of conditions that I plan to challenge. I will keep trying to get my Religious needs met with each Chaplain to see if any of them can fulfill my needs without discriminating against me. AUG 10 2018 (OVER)

I'm including a copy of the I-60 I wrote Samuel Arciprest...

I waited patiently and was again ignored regarding my serious Religious needs by another Chaplain here on Michael Unit. Because I am a Vegan, I can't get no response and no help from the Chaplaincy Department whatsoever.

This individual with his deliberate indifference to my Religious needs is violating my equal protection of the law rights and free exercise clause rights. He is discriminating against my Religious Beliefs & Needs while acting under color of law. --- This behavior being perpetrated against me in conspiracy with Chaplain Samuel C. Arcipreste & Thomas R. Taylor is one of the reasons I have mental illness now after having my Religious Rights violated for years and years by selfish Chaplains & Staff who only care about their beliefs when they are in a public position acting under color of State law to represent all Religions regardless of what they personally believe and to interfere with my Religion has crushed my Spirit for many many long torturous years where I could get no relief whatsoever --- but that has got to be stopped now once and for all. I demand my Religious Rights be granted without interference as long as I am not seriously interfering with prison security or some major penological interests...

I waited patiently for a response to my I-60 on 8-27-2018 and also to actually speak with a Chaplain but was once again rejected out of hand deliberately by Thomas R. Taylor just like Samuel Arcipreste did before that and I will be contacting Chaplain Randall S. Clarke next about the same issues before I go above them and so on and so forth...

Action Requested to resolve your Complaint.

Conspiracy against my Religion to stop immediately. All my Religious Needs granted now. Religious discrimination against me stopped now!

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

it was not processed according to Federal State Law and BP 03.77 & A.D.-03.82 deliberately by Grievance Investigators Tammy L. Rainey and Monte P. Nabors. They are not only violating my Protected Conduct of Filing Grievances but they are also violating my Pagan Religion. Grievance # 2019016859 is clearly an Emergency Grievance subject to no screening criteria and is supposed to be coordinated with the Chaplaincy Department. The way these Grievance Investigators keep violating my access to courts rights looks like someone above them all is at fault but A.D.-03.82 shows otherwise very clearly...

Regarding Grievance #2019016854... First of all, that Grievance is specifically about the burden on the free exercise of my Religion being perpetrated by Chaplain Samuel C. Arcipreste & Chaplain Thomas R. Taylor and it was supposed to be processed as an Emergency Grievance and coordinated with the Chaplaincy Department according to Federal & State Law and AD-03.82 but once again my Protected Conduct of filing Grievances has been violated by Grievance Investigators Tommy L. Rainey & Monte P. Nabors who are part of the conspiracy against my rights et al and Campaign of Harassment being perpetrated against me here on Michael Unit & the Central Grievance Office by a bunch of Prison Officials & Staff members especially since the crimes that were committed against me by Prison Officials & Staff on February 13th 2018 up til now. These Grievance Investigators are harassing me & retaliating against me for me trying to exercise my access to courts rights and by doing so in this case they are also helping to violate my Religious Rights along with the forementioned Chaplains. This is very cruel & unusual punishment and torture being used on me by all these individuals who are constantly violating my Human & Federal Rights and causing me severe mental, emotional, and spiritual pain & suffering. These Investigators are obstructing Justice for the deliberate violating of my Religious Rights. They are violating my equal protection of the law rights due to my Pagan Religion & my mental illness which they are agitating non stop. They are barring me from practicing my Religion without any legitimate penological interests whatsoever and they are doing this all to me with evil intentions & evil motives et al. while acting under color of state law.

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Chaplain Randall S. Clarke When? 10-19-2018What was their response? NoneWhat action was taken? Religious Discrimination & Burden On Exercise of my Religion

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I wrote this Chaplain and I waited patiently for a response both by a written response and face to face to speak with one another but once again I am denied my Religious Needs and the Chaplains here on Michael Unit all refuse to do their job and respect other Religions such as mine which is Paganism/Pagan. All 3 Chaplains on Michael Unit have officially & personally placed a serious burden on the free exercise of my Religion.

I am being denied my Religious Diet of no Beef and no Impure Pork, Observance of my Holy Sabbaths, the ability to craft my own Talisman/Amulet and possess it without interference by Prison Officials & Staff, Pagan Resources & Contacts, Religious Items only from a actual Pagan Source or a Pagan Member of my Religious Path, Religious Goatee or Beard of my Choice, Religious Hygiene Items from Pagan Sources of my Path of Religion, etc.

My Pagan Beliefs are completely Religious, Spiritual, and extremely sincere... These Chaplains: Samuel C. Arciprest, Thomas R. Taylor, and Randall S. Clarke are not supposed to work on this Unit under color of state and only represent the Religions of their choice ~ they are supposed to represent all Sincere Religious Beliefs/Religions whether they like it or not! I do not run around myself and discriminate on other Peoples Religions whether I agree with them or not! ~ These Chaplains putting a serious burden on the free exercise of my Religion is a major cause of my mental illness because this has happened to me on every Unit I had to live on for years & years... My Religious Needs do not interfere with any serious security concerns in the Prison System whatsoever so there should not be any such

burden on my free exercise of my very sincere Religious beliefs whatsoever.

Action Requested to resolve your Complaint:

All my Religious Needs fulfilled immediately. Religious Discrimination to stop now! Stop violating my Religious Rights. Get these Chaplains to cooperate with my Religious Needs.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

it did not resolve Grievance #2019033014 whatsoever especially since I'm still being denied my Religious Diet of no Beef and no Impure Pork and all my other Religious Needs by Warden Charles O. Meador, the Food Services Department, the Chaplains, and the Medical Department... It's not right for me to be forced to eat meat free trays because I don't eat Beef or Impure Pork when I am able to eat other meats that are available on the menu. That's Religious Discrimination against me along with the rest of my Religious Needs being denied also & deliberately ignored by the Wardens on this Unit and the Chaplaincy Department here too...

I need my Religious Diet to be no Beef and no Impure Pork without stopping me from eating other meats that are available. I need all my Religious Needs fulfilled reasonably without discrimination against my Pagan Religion & Beliefs. This complaint is not resolved at all?

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Warden Meador & Chaplain Jones When? on 12-17-2018 and 2-11-2019

What was their response? Negative...

What action was taken? Both of them avoided fulfilling my Religious Needs deliberately...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Regarding Grievance #2019033014 ~ Both Warden Charles O. Meador and Deputy Director of Religious Services Timothy C. Jones violated my Protected Conduct of filing Grievances deliberately to oppress my Religious Needs and they have purposefully interfered with me trying to exercise my access to courts rights... Being denied the Human Right to freely practice my Religion and have Religious Needs fulfilled adequately is straight up torture and is very inhumane. It's infuriating and makes me feel sick inside with anger! It's wrong to violate Human Rights.
